Mr. THOMPSON of Mississippi. Mr. Speaker, it gives me great pleasure to stand before you and recognize the outstanding sportsmanship and accomplishments of one of the top 400-meter high school runners that Mississippi has ever produced. Otis Harris Jr., has show-

cased his talents to the people in Mississippi, and is now on his way to impress the world.

Harris is a recent graduate of Hinds Agricultural High School. During his high school career, he participated in some of the nation's most prestigious track events. He won the Class 2A 100, 200, and 400 meter races as a junior and continued his success as a senior by winning the 200, and the 400 meter races. To add to his accomplishments, Harris helped his high school win three consecutive Class 2A titles. He was also named to the All-State track and field team. Harris' performances

over the years have landed him an invitation to compete in the U.S. Junior Nationals located in Denton, Texas. There, he will be competing against the best high school and college freshman runners from around the country for a spot on the National Junior Olympic world team.

Mr. Speaker, Otis Harris Jr. exemplifies the strength and determination of America's youth. His track records show that he has what it takes to excel at all of his endeavors. He is sure to represent the State of Mississippi well for a long time to come.
